The Story:

As this was my first punt i didn't really know what to expect but knew very quickly it was going to be a good one. Within 30 seconds of me entering the room she was on her knees giving a great BBBJ and the session got better and better from there.

Others have said this girl doesn't have the word no in her vocabulary, I'll agree with that as she seemed up for anything and at times appeared to be enjoying the things i suggested more than i did!

Even at the end of the session when i was spent she was still sucking and nibbling at my cock and balls, great PSE and GFE as well. I shall be back ASAP!
