The Lady:

Wow met me in a black dress which showed this fine ladies attributes very well, Lovely face and fantastic body. About 5ft 6in tall, not thin not fat just right and you wouldnt want this lady any other way.

Long dark curly hair smelt great.

The Story:

Was met at the door and made to feel very welcome with a lovely kiss and a very cheeky giggle!! Paris looked absolutly stunning in a sexy black dress which showed her fantastic form to its fullest. I had 2 hours of bliss with a delightfull lady who knows how to make you feel at ease and the services this lady offers really are second to none!!! I wont go into detail but if your lucky enough to spend some time with this lady just wait till the dirty talk starts and she tells you what she and her friend will do to you on your next visit....it will turn you inside out!!! I am saving hard and looking forward to that event (hopefully very soon).
