The Story:

I have been seeing Mel for a couple of years now and each occasion just gets better and better the more you get to know her. I'm not going to go into too much detail but just picture this....I'm laid on the bed with a cigarette in one hand, a glass of champagne in the other and Mel giving me one of the most sensual blow jobs you will ever imagine. All this and football was on the TV in the background. Talk about seventh heaven...this was all way to the stars! Mel, you are amazing. Now, what was the score on the footie...who cared!
