The Premises:

Well as other reports have said "Wipe your feet on the way out", what can I say, it was a shock when I walked in, not what I expected, but hey I was there "Lets get going"

The Lady:

A Larger lady with bleach blonde hair, I had trouble guessing her age, but who cares a blow job is a blow job. She was heavy on the eye shadow, which hid most of her looks, and greeted my in a short skirt and manky old bra.

The Story:

Cathy was pleasant and very outgoing (No Shyness there!!!), she asked if it was oral I wanted, and I said "Yes". I was offered it covered or uncovered, so I obliged and went for the uncovered option. She said ok hun drop your pants, so I stood there with pants on the floor and she got to work. I must say she was very good at it. She kept stopping occasionally to call herself and "Whore" then carried on until I couldn't hold on any longer. She kept saying cum in my mouth, so I did, I'm not the type of guy not to give a girl what she wanted. She took every last drop of what I had, swallowing it all and licking her lips and saying lovely. It was certainly an experience, nothing like any other girl I have ever had a punt with, if you visit Norwich she is a must see, she is cheap and good at her job, just a shame her hygiene doesn't meet the same standards, but still worth a visit
