The Premises:

Nice safe are 5 minutes walk out of main shopping area. Plenty of on-street parking nearby if you prefer. Door in alcove with 'push' sign on it a bit wierd, but access good.

The Lady:

Petite good looking brunette, I'd say the website describes her accurately.

The Story:

When I got there, Carmen was just going in to see another client, so I had to wait a while. The maid was friendly and made me a lovely cuppa.

Carmen was very welcoming with friendly chat & kisses, asking what I liked and making me feel very relaxed. I guess she'd be good with a first-timer. We enjoyed oral (covered, despite website saying OWO) both ways, mish & cowgirl with HR to finish. Carmen is very enthusistic and can get quite noisy. She didn't chuck me out straight after I came, but cuddled and chatted for a while.

All in all, a very worthwhile diversion from some christmas shopping ;-)
