The Lady:

its a cliché but the pictures don't do her justice, she is just as tall and beautiful but way more curvy and gorgeous! trust this place they are all stunners i won't go anywhere else now

The Story:

my god, stunning 6ft blonde greets me and drags me to the sofa and sucks me off before i've even said hello my name is

think she has a thing for workmen and i was in luck(will bring the hard hat and jacket for you next time) soon discovered that she is a bit too tall for me as i'm a short arse so some of the positions weren't easy, a problem you'd think until the cyclone in her mouth sucks your cock and makes you horny as hell, this woman has an un-natural talent for it, so much so that in 1 hour's fun i came 3 times and she came once maybe twice(still not sure lol) i can't wait till my next visit as she is the special one! oh yeah and when your cock isn't in her mouth, she is a lovely lady and boy can she talk lol
