The Story:

Plucked up the courage to visit Lady M's party having scoured the reviews for a lengthy period. Got there huffing and puffing and incredibly sweaty and with more than a bundle of nerves. We were all greeted warmly with a drink and welcomed by the lovely ladies like old pals. Valuables were secured, shown to the showers and then pulled to action by the ladies. Lots of bodies around having a great time. The whole scene and experience were surreal. Ladies were great. Thanks to all, Sofia, Rafaella, Henrietta all great. Lots of OWO and Sofia also gave prostate massage with her finger, WOW was that nice!

All guests were warm & friendly, I have four or five ladies at one point giving me attention ! Those of you thinking of visiting are requested not to wait a minute longer! Everything one could think of was provided: Showers, Mouthwash, Towels, Gowns, Secure storage for valuables, hot snacks, drinks, condoms and the best bunch of insatiable ladies!

Great experience. Thanks to all of you. Especially Lady M. Love Raj
