### The Premises:

This parlor Steam & Sun is just round the corner from Euston station and is a lot better equipped than other parlors that I have visited in the past.

The place is located in Chalton Street which is just off of the Euston Road. It is clearly yet discreetly advertised on the front of the building so it is easy to find. The street itself was quiet when I was there (but it was a dark & raining).

The general decor of the parlor is to a high standard room was clean & tidy. Facilities include sauna, steam room & lounge with a bar. VIP & penthouse rooms are also available at additional cost.

### The Lady:

I had seen the pictures of Zara on the web site and timed my visit accordingly in a hope in meeting her. She is a stunning looking black girl with a cracking pair of large tits and has a cute face (which is not shown on the web site. Very friendly & chaty personality.

### The Story:

You enter the parlor through the main reception area where I paid the ?20 entrance fee and was given a towel and directed down stairs to the locker room.

I noticed that Zara was waiting in the lounge so I got changed (?1 required for locker) and took a quick shower, before headed back into the lounge. There was also a good looking blonde, but I just made a bee line for Zara.

She took me upstairs to one of the standard rooms, where she gave me the massage followed by oral & sex. Approximately 30 mins of private time, ?80 paid to the girl.

After I had finished I made full use of the sauna and steam room.
