The Premises:

Nice easy to find - not far from the station. The place itself was fine and tidy.

The Lady:

Danni is a great looking brunette - nice breasts and a great smile, with a personality to match.

The Story:

First time doing this but was made to feel welcome. Waited a short time in the room when the door opened to be welcomed by Danni with a glass of wine - which managed to defy gravity by going straight to my head... Was asked what I would like to do, anything and everything - anal? sure, tie and tease? sure... Which brought a smile to her face. Exchanged money and was told to wait for hear return on my knees, duly obliged. Was told my cock was now hers - the rest you'll have to imagine, all i'll say is it was alot of fun which i'll definately repeat sooner rather than later. ps. can i have my cock back now :)
