The Premises:

5' walk from Earl's Court tube. Flat slightly difficult to find once inside the building; building itself easy to locate in perfectly safe area. Once inside, there were signs with arrows for a variety of flat numbers, but none for hers, so follow the only way that has no arrows. Maybe I overlooked the right sign. Place safe and clean. Tiny but functional bathroom. Nice room size.

The Lady:

Photos show the real thing, although she seemed taller on photos. She's gained a little weight since the photos were taken, but is by no means fat. In fact, I found her figure and appearance just perfect. None too much or too less.

The Story:

Scarlet has a very friendly attitude. She is warm and very welcoming, and surely must be one of the best wet deep kissers there are. Very enthusiastic DFK. Sex in various positions was nice but a little on the uninspired and passive side from her; good OWO+CIM.

She must be very lovely to talk to if you brush up your Latvian before you visit. I didn't and relied on her English, but there isn't really very much to rely upon.

Would I recommend her? Sure. The aforementioned downmarks on uninspired and passive sex could have been just a bad day, or her not connecting to me. Fair enough.

Will I return? Probably not, due to the language constraints. Will miss her DFK though.
