The Premises:

This parlour is above-average, with clean rooms and reasonable en-suite showers. The central heating was not set high enough and the room was rather chilly.

The Lady:

Not to be confused with the cracker at Brooklyn's of the same name, this Lacey used to be "Suzie" at CJs in Stoke. She is perhaps in her late thirties. She has short cropped brunette hair that gives a boyish appearance. Although not particularly pretty, she has an attractive face and a well-preserved body; and I would say she is a sexy woman. She has a nice smile and demeanour, and is pleasant to be with.

The Story:

I had seen "Lacey" once before at CJs, and was pleased to renew our acquaintance. She specializes in virtually everything, and I sampled some of the extras on offer. Lacey is a little bit "menu-driven" (i.e. "so and so is extra"); but I have known a lot worse in this respect. Lacey was accommodating, and I was quickly turned-on. But although I did not feel rushed as such, it was all over rather quickly, and Lacey was in the room for only 20 minutes. I would have liked her to stay a bit longer to share some post-coital bliss!

Overall, it was a thoroughly enjoyable punt and I will return.
