The Premises:

Easy parking (It was a Sunday evening). Clean modern flat, and the bedroom was nicely furnished.

The Lady:

Fantastic body (Just look at the web site), about 5' 6", size 10, 34DD, with loads of sexy curves.

The Story:

Happened to be passing MK on a Sunday evening on my way home, and thought that a short rest would be a good idea. Fortunately I'd just missed the Service Station on the M1, so off at junction 14 and HoD seemed like a better idea.

Never been here on a Sunday evening and there were 6 great girls available. In fact it was really difficult to pick someone, but something in the way that Valerie had introduced herself seemed to make a difference.

Only stayed for 30 mins, but we managed to get through some lovely FK, great OW (Pity she doesn't do OWO), quite a few positions, before being finished by hand over her body. She certainly has great curves, lovely soft skin, is extremely friendly, and has a good attitude.

Chatted to her afterwards for a while, where she said she goes home to Slovakia for Christmas but should be back at HoD/CG's in 2008. - Hope this is the case! She also seemed to think her english isn't too good, but she's definitely wrong on that front.
