The Story:

I would love to say that the party was terrible if only to put other people off going, but that would defeat the whole point of these reports.

This was my first party and I read every single report before going. I can understand why some people were negative as being naked with a hard in the presence of other guys is not everyones cup of tea. That said, I felt the fear and went anyway and without doubt had no regrets. Lady M was charming and very helpful. Her band of little helpers were brilliant and my valuables were kept very safe.

For those like me who live in the North, Sandys Superstars in Manchester sets the bench mark by which others can only aspire. Lady M's parties match Sandy's in terms of the quality of the girls, warmth of welcome and dare I say, value for money. If Lady M can get the quality of fixtures and fittings up to the same standards as Sandy's then I would vote this the top establishment in the country. That said, it is joint No1 in my book with Sandy's and you can bet I will return.
