The Premises:

Clean well decorated parlour just off the main road. Plenty of street parking.

One word for the maid - HOT. I'd love to know if she works.

The Lady:

Very attractive local Indian girl. About 5'6", slim size 8.

The Story:

I have been waiting to see Reena for a while but never quite got round to it, so decided to have a Christmas treat.

Was shown to a waiting room by an extremely good looking maid and waited about 15 minutes for Reena to appear.

She bounced into the room and immediately put me at ease. Service followed was good, OWO offered, light massage which isn't going to relax but I like to use it to get to know the girl.

Good oral including 69 then sex in various positions with plenty of vocal encouragement from Reena and plenty of french kissing throughout.

A very good punt only stopped from being great because I did feel slightly rushed. Not overly so and still would recommend Reena if you like Indian girls. Genuine Indian as well, not the Portuguse/Brazilian fakes you often get around London.

Would see Reena again.
