### The Premises:

Block close to Gloucester Road

### The Lady:

More or less like her photos, which, however are highly retouched, young, basic English.

### The Story:

Not really enthusiastic, even difficult to have a smile. Kissing without tongue, NOT skilled blow-job, seems that she's there only for the money. I wanked on her tits as no CIM allowed even if the agency said no problem about that. 150s are too much. to waste it like that.
