Details of Service Provider:

Company: Rea's

Phone: 01904637937

The Premises:

Smart place not far from city centre. Street parking nearby. Part of a parade of shops so easy to find. Fairly discrete since front door is always open leading to another door with a bell. This is fairly new and real effort has been put into making it feel very clean.

The Lady:

Tina is in her 30's with a great body and curves in all the right places. She seemed genuinely pleased to meet me which is always a good start.

Was offered a drink on arrival which was a nice touch

The Story:

She started off with a very gentle massage but I prefer a bit more force. However She did all the right things for me with some oral (covered), reverse oral and fingering and which was great fun. Finished off with doggy and mish.

She was enthusiastic and very friendly throughout which always helps.

This was my third visit to Rea's to a different lady and I have not been disappointed
