The Premises:

The flat is clean and in a very safe area. Only problem is that the flat could be a bit bigger but other than that v good.

The Lady:

The ladies were mostly appearance wise of a very good standard. There were six in all but Malina, Rafiela, Victoria & maybe Helena really stood out.

The Story:

Where can you be pampered, have as much sex as you want and at times have two or even three girls in action with you for two hours costing ?120. The value for money is amazing & the sex is very good, I was lucky to see five of the girls with various activities taking place (fingering, anal, Dfk etc). Plus the girls are most friendly, the hosts the same and even the rest periods had a very relaxed feeling talking to the gents and hosts.

On the negative side as said before the flat could be bigger and at times the sex can be a bit frantic. Yes there are also the obvious fears being naked with guys, being watched, the male ego etc etc but I would urge you to try it. I would not of thought it would be my scene at all but this was my third party and it just gets better.
