The Premises:

Entrance a little tricky as if you ain't timed it right you will have any number of bus passengers looming down at you, kinda builds the anticipation !

The actual interior was clean and functional. Had option of watching bluey whilst i waited but little did i know that i would starring in my own one shortly !

The Lady:

Tall pretty lady, Guys who can't handle a bit of flesh jog on coz this lady was built for comfort ! A mixture of innocence with a real come fuck me attitude really does the trick.

The Story:

I felt like it was a one night stand (during the day). She was really keen to please and it ended up a good old fashioned shag. I will spae the nitty gritty as i'm still trying to realise what happened myself ! all good though !

if you fancy some rumpy pumpy with a buxum wench just visit her.
