The Premises:

The apartment was very clean and stylish - it almost felt like someone's home. The area is well lit and safe.

The Lady:

This was an appointment with the curvacious Kate that had the added surprise of the energetic Ruby. I've met both these girls individually but together was a new experience. Kate is a head-turning, sex on legs blonde with a very curvy natural figure. Ruby is a slim, dark-haired temptress with a very wicked streak. Both are in their mid-20s. Together they are everyman's fantasy made flesh!

The Story:

On my arrival I sat between them both in their co-ordinated little black dresses - Kate's breasts bursting out of hers and Ruby's visible due to the plunging neckline. We chatted and laughed and kissed.

I showered and joined them in the bedroom where they were already in their lingerie, kissing and fondling each other. What followed was an orgasmic blur of mutual kissing, licking, biting, fingering and sucking. They sucked me and I ate them. Kate rode me as Ruby offered me her pussy to lick. I fucked Ruby from behind as Kate pleased herself all the time looking me straight in the eye.

Kate and Ruby know how to pleasure a man and themselves. They certainly appear to enjoy what they do. They're both great company both in and out of the bedroom. I've never regretted time with them on their own and I certainly don't regret the fantasy filled time with them together. They are a credit to themselves and to IK Services; the classiest agency I know and the only one the discerning gentleman will ever need!
