### The Premises:

Small flat in a shared block near Queensway tube. The building was a bit tatty and the flat a bit unkept, but she definately lived there, which in some way made up for things. Homely!

### The Lady:

Victoria is a small, blonde, very attractive Polish girl. She claimed to be 20 and I've no reason to doubt that. Breasts were maybe a bit smaller than I'd prefer but she was physically very fit.

### The Story:

I'd known of Victoria for some time but never seemed to get round to seeing her. Planets seemed to be aligned and I found myself in her neck of the woods.

Was let in and made my way up the stairs and Victoria opened her door dressed in a small red bra and tiny panties to match. Looked spectacular. She kissed me and as I was sorting out the money she was already tugging at my belt...

I'll spare the details but we had a couple of rounds of very enthusiastic oral and sex in a number of positions. Victoria does A (although an additional ?50) and I was sorely tempted as I nailed her from behind - her tight little hole looked very tempting. For that reason alone, i think I'll probably be back.

Highly recommended, particularly at this price.
