The Premises:

Small house. A short walk from Surbiton station. Discreet, clean, well decorated. Safe at this time of day. Usually one girl working per day. Appointments can be booked in advance, but are not required. Friendly and helpful maid.

The Lady:

Pretty, petite, English girl, 20s, short straight blonde hair, natural boobs. Very friendly. Lightly tanned.

The Story:

I decided to return to this reliable establishment after I tried and failed to meet an independent girl, whose address I could not find and whose phone was routed to voicemail. I phoned British Babes when I arrived at Surbiton, and the maid told me that Summer was working and available. I had previously read a favourable FR and seen her photos, and so I walked the short distance to the parlour. Another punter arrived just before me but fortunately I only had to wait about 15 mins. Summer is a friendly and cheerful girl. She reminded me of Amy who I saw at Kylies in Barnet earlier this year. The service included massage, French kissing, OWO, reverse oral (which ended prematurely because my whiskers were tickling her), cowgirl and mish sex. She seemed to orgasm during sex after I stimulated her clit with my finger. She has a tight pussy. We finished with a handjob as the maid knocked on the door. It seemed amusing that I met a girl called Summer on the day of the Winter solstice. We agreed that we prefer the summer to the winter. I would be happy to see Summer again.
