### The Story:

some previous reports say nikki doesnt kiss passionatley,but wow are they wrong,started with real gfe kissing and carressing,the only girl who comes close to this good is petra ps another czech girl,the conversation wasnt long but was here for other reasons,she was polite enough to ask if i wanted oral covered or uncovered,and sex was passionate in cowgirl doggy and missionary,added bonus if asked politely nikki will do cim which is awesome this girl only works one week a month usually at city girls or hod at weekends,hope to catch up again on her return all in all a great punt
