The Premises:

The location is in a suburban road near to East Ham tube station. It is a bit dilapidated inside, but very functional.

The Lady:

Puja is a petite, young Latino girl. She is about a B cup breast size and has lovely big brown eyes.

The Story:

Puja is very tuned in sexually and this was most definitely not a perfunctory service. The session started with a brief massage and we then had sex in two positions - from behind and then in the missionary position. Puja was keen to show me a couple of other positions, one where she lifted her legs up which allowed total penetration. During sex she urged me to fuck her harder and I duly obliged.

Although the location is very handy for me, it was very busy and with the door bell ringing constantly and punters being taken into other rooms, it became a bit like a theatre farce.
