### The Premises:

Easy to find apartment in Kensington, very safe. Apartment inside was shared with someone else. Bedroom was ok, usual scented candles, low lit etc

### The Lady:

Unfortunately not much resemblance to the pictures on the website. She has put on quite a few pounds since and the pictures do not show her large tattoo below her belly. Her breasts are very similar tho, a very nice handful.

### The Story:

I went to see Donna admittedly a little tired so was not up for doing too much. Greeted me with a smile but must confess to being disappointed with her appearance. By her own admittance she had been out the night before and was the worse for wear. Was not helped by her constant yawning through the session and a bit of an obsession with her tamogochi toy!

We stripped off pretty quick after an initial shower. Physically I wasn't really attracted to Donna and found it quite hard to 'get it up' so to speak. To be fair to her she gave me a couple of nice HR's and BJ's with oil but there was no real intensity and all seemed a bit mechanical. She may suit others but wasn't for me I'm afraid.
