The Premises:

The Venus has a secure entry system, always nice, decor is ok, waiting room is just like a living room, warm and friendly. Showers ok and lockable lockers.

The Lady:

Bethany is a tallish blonde with a good figure and nice eyes, lingerie was seductive but exciting, the black leather boots accentuated her body and the tits, i just wanted to see those tits.

The Story:

I opted for a full on experince, wasn't disappointed. Massage was actually good, tickled all the right spots, when turned over it was show time, lingerie came off easily and those tits, fucking great. OWO is very good and touching and teasing during it, asked if i could do doggy, ass was presented and i saw her tattoo, wow.

Well worth the money, i'll be back if she's there
