### The Premises:

Fairly clean and well equipped parlour/club near the centre of Birkenhead. There is a pub next door and it's not in a great area - better visited during the day.

### The Lady:

Slim, 5'5, 34C chest, long dark hair and shaven, sweet tasting pussy. Aged in her early 20's.

### The Story:

Had been a regular with Katie when she was known as Denver at a parlour in Wallasey, and stumbled across her again by sheer chance. Great GF experience: Always got a smile on her face, appears to enjoy the sex and has really tight pussy muscles. Don't know whether she does this with others but I get full on kissing and on this occasion she gave me oral without for no extra charge. Fantastic - one of the best I've had.
