### The Premises:

walk in off the street easy parking no one notice me coming or going very easy and felt safe. Small entrance but clean, two good size bedrooms available.

### The Lady:

early twenties petite estonian girl with long blond hair. great tit to die for!

### The Story:

Every thing was on offer except bareback but we tried sex in every position and it was me who had to slow down in all my years of punting this woman is sex on legs and worth every penny spent. Works also on Mondays with her 19 yr old sister so looking forward to that
