### The Story:

This was probably my 6th visit with Debs and we're like old friends. I got there early and she apologised for still being in her non-work clothes. I reassured her that I much preferred this natural look !

We both got naked and started off with some kissing and cuddling (Debs commented about my cologne!) After about 5 mins of this, I laid her down and began to gently lick her clit until she came...yum!

She then flipped me over and began some lovely ball licking and ass tickling whilst she wanked me. As I got close, she worked a finger into my ass, let go of my cock and milked my postate until I shot my load in very noisy manner...

Debs is retiring very soon so go see her before it's too late.  
I must get her and Sam in a 2-girl before she goes !
