### The Premises:

South Ken apartment, as usual sparse and not particularly homely.

### The Lady:

Cute girl with a fabulous arse and firm little titties.

### The Story:

I've met a few girls via Maxes site and had hankered after Cassie for some time but never managed to be around when she was. Visited her and felt immediately relaxed in her company, a vivacious girly with a real chatterbox mouth.

Had to get the action going having had a quick drink and found her to be slightly nervous which sort of added to the appeal. A good kisser but not fully deep as I would prefer. That said, the BBBJ was outstanding with plenty of slurping and deep throat - when the end came she took it in the mouth but allowed it to drip onto me.

A pleasurable encounter. I dont normally return, but might just do this time.
