The Premises:

Hotel in Kensington, very clean and safe.

The Lady:

A stunner. Early 20s, size 8/10, fabulous tits and arse, long brown hair and dressed in black lingerie that didn't stay on for long.

The Story:

This was a spur of the moment punt having been out for a long lunch and drinks afterwards. I probably wasn't at my best but Sasha was determined that I enjoy myself and was very passionate. Highlights were her sitting on my face and grinding on to me to make herself cum and her BBBJ which culminated in CIM which she swallowed. She does not offer A Levels but everything else appeared to be on offer.

I will definitely return when in a more sober state and probably for longer as I feel that Sasha has even more to offer.

A diamond.
