### The Story:

Absolutely give the thumbs up to Patsy after visiting her for the first time and trying a new experience. Don't usually visit escorts but thought I would try something different.

Patsy is 24 Thai with great breast implants and trimmed pussy. Booked 1 hour in short notice and as soon as arrived she was in a sexy nurse outfit, and we went into the bedroom. She gave me oral without condom and then I licked her pussy, spreading her legs wide open, while she played with her breasts. She then got dildo out and alternated it between her pussy and anus - was nice at this stage as I poked my finger in the empty hole while dildo was in the other - double penetration.

Sex followed with her on her back and legs wide open then she turned to doggy and I alternated between her pussy and anus - she has a lovely tight ass. Then just before climax, I took condom off and came in her mouth and on her breasts as she spread on bed.

To finish off, we went to bathroom and she did me a bath and then performed by peeing all over my face and hair. This was then followed by hardsport with her crouching down and partially pooing on my chest while I stuck my finger up her pussy (thought I would try something completely different that is big in Asia - especially Japan and less in US/Europe). I then managed to cum again in bathroom as she assisted me. She was great, and took liberty to give me a hand wash, shampoo my hair, shower me down and blow dry my hair so I was clean to put my suite back on and ready for work.

Unusual experience, but highly recommend her!! Top star!!
