The Premises:

Easy to find in a posh street. Roxy's pad is a ground floor flat comprising of a big front room which doubles up as a bedroom. Very des-res.

The Lady:

Not exactly as her photo's on the website - but no less beautiful. I loved everything about her ? her looks, her body, her hair, her tits, and especially her smile. She smile likes an angel. Roxy doesn't do DFK, but did allow brief pecking on the lips.

The Story:

Roxy answered the door wearing a skimpy top and a pleated skirt. She invited me in and showed me to her living room and after handing over the readdies she went out to run the bath. When she returned she took off my cloths one by one. She then quickly got undressed and with that we both walked arm-in-arm, naked together into the bathroom.

The bath itself is pretty small and I was beginning to wonder if there was room enough for two! She then came alongside of the bath and soaped down each of my legs in turn. She then got in with me and washed down each of my limbs, paying particular attention to each of my toes and fingers. She held my cock close to my belly and gently soaped and stroked all around my scrotum. She let her ample breasts fall heavily all around me cock. In fact, her breasts fought with my erect cock for space. Then Roxy took my cock in her hand and rubbed it against her left breast. This was too much. And just when I thought I couldn't take it anymore, she placed my cock between her breasts and gave me a tit-wank.

Back in her room Roxy lay back on her bed and I virtually lept on top of her. We then settled down to kissing (on the lips ? no tounge) and then I moved down to her magnificent breasts. Roxy doesn't like any lip action on her teats ? she prefers tongue action, especially rapid flicking of my tongue all around her nipples. She liked this a lot and after a while I took my tongue for a delightful journey down her beautiful body, stopping off occasionally to plant a kiss here and there. I circulated her naval and then made my way down to her pussy ? which was mostly shaved, with a tuft of pubic hair in evidence. I got down further, but before diving in, I licked and kissed her inner thighs, before

arriving at the beautiful pussy before my eyes. I then spent some time there probing her fanny with my tongue (which she really enjoyed).

There then followed an exquisite BBBJ (leading to pop no.1), massaging, cowgirl, and finally a HJ (resulting in pop no.2).

All in all, a wonderful way to spend an hour with a beautiful woman. When I left her and ventured out to the freezing cold I warmed myself with the thought to myself that this is one woman who I'll see again!
