The Premises:

Top floor flat in typical victorian house of the area. Clean, comfortable, safe.

The Lady:

Blonde, probably 24-25 years old, medium sized breasts with implants and shaved pussy. Speaks good english and, refreshingly, is very straightforward. She tells it as she sees it.

The Story:

Had been trying to meet with Daniella for a couple of weeks, but things got in the way. I was delighted to hear that she could accommodate me on this day and was not disappointed when I duly arrived.

I am quite shy at first, but Daniella soon put me at my ease.

What followed was a delightful interlude of oral sex. First Daniella gave me a BJ (with a condom), but I soon stopped her, as I had not had any for a while and was fit to burst. We then reversed roles and I paid her some attention with my tongue. I think she climaxed, but certainly she got very wet.

Daniella sucked me once more, until I was hard again. Then we fucked, first cowgirl, then missionary and finally to a finish in doggy. For the latter, Daniella was on all fours at the end of the bed, with me standing and able to watch myself in the mirror as I plunged in and out. Quite a turn on.

As I write this, I am stirred by the memory. I have no hesitation in recommending Daniella to others. Do not be put off by the over-lit photos on the website. She really is nice looking and has a great personality.

My only regret,- and this is purely a personal preference - is that her breasts are not natural. That aside, I will happily go and see her again, if she'll let me.
