The Lady:

Good looking indian girl. Perfect english as she was born in England.

Big breast with a very nice bum. Looks like the pictures in the website (maybe a little bit shorter).

Looks kind of tired though...

The Story:

She started with a gentle massage. Then the oral (with) was just OK, she wasn't looking at me at all, didn't use her hands... Every time I was touching her breast she was like "don't pinch me please".

Then some nice positions, but was always watching time, at the end she was even like "just tell me if you can't come, I'll use my hands".

Bad experience, I'll never go visit her again...
