The Lady:

Mid 30's petite size 8 with enhanced boobs. Long dark hair very pretty with Mediterranean features, Firm body and nice bum a legacy of her previous profession as a dancer. Erotically pierced down under. Very chatty and friendly.

The Story:

Sorted out finances and Francesca gave me a nice massage with talc with both hands and body to good effect. Then gave Francesca oral with her sat on my face folowed by uncovered oral from her. Sex with her on top and doggy and finished coming over her boobs.

Very nice time with a very naughty lady who I think would be very worth spending longer with as she has a really cheeky glint in her eye and would be up for a lot more I suspect.
