eve petit blonde looks in her mid twenties but is reall in her mid/ late 30s not very busy may be a A when tense

The Story:

Eve well she has a really pretty face and she is great in the room owo fantastic sex But but when it comes to time she is watching the clock hung on the wall 5 mins before times up she starts bragging about the extra you have to pay if time goes over eg extra 15. what a disappointment to see such a elegant young lady with this attitude. All in all good service but would no see her again due to the time issue.
