The Story:

Having got the preliminaries out of the way Maggie gave me a relaxing massage before allowing me to explore her sexy body. I performed reverse oral, which she seemed to enjoy. She then gave me an expert covered oral and used her fingers to get me fully aroused. We then got down to some doggy action so that I could see her gorgeous arse as I pounded away. A thoroughly satisfying experience.

She's a chatty sort and I felt at ease the whole time I was there.

She also has a friend who works with her and they can provide a 2 girl service if required.
