### The Premises:

Nice top floor flat on a main road, about 5 min stroll from the exhibition centre exit of Ears Court tube station. Front entrance to the building might be a little too public at times, for those punters that are more conscious of their surroundings.

### The Lady:

Nice looking Russian bird, photos on the website are accurate and current. What they fail to show though is how lovely her eyes look in person.

### The Story:

After a pleasant intro, Tori proceeded to DFK me for a bit. She then offered me a shower which I took (wasnt too good one - she had to turn it on for the right temperature). But it was all uphill from there. Re-entered to find her with only her knickers on lying on the bed looking at me. Quite a sight. More DFK and playing while I stood there in my towel, when she got on her knees and gave me a BBBJ. Gosh she was sucking for dear life; felt like I was in a porno flick. She kept going, and CIM after about 10 mins.

She excused herself and came back in a few mins, smelling and tasting fresh again. Shared a cigarette and chatted for a while. After a while more DFK and then she smiled and asked me whether I would like another go. More BBBJ, followed by balls licking, and some AR. Felt so good, I just urged her to carry on the combination as I wanted to CIM again. She agreed and added jerking me off over her tits to that. Unfortunately, due to no fault of her own, I couldnt deliver and asked her to stop. To this she responded that she thought I could and doubled her efforts. After another 5 mins, she eventually gave up reluctantly. Gosh, it was then that I realised that she had been sucking and licking for the last half hour. And she didnt appear to tire through it; not at any time. What energy this bunny has.

I dont normally return, but this beauty might just be the exception as I realised, after the event (due to how good the session was), that I had yet to shag her. Great mix of GFE and PSE. Left absolutely drained. Treat her well lads; she aint gonna be around for too long.

Tori/Victoria - you the bomb! Good agency too
