The Lady:

coloured girl ,about early 20's,slender and attractive,lovely big smile and lips.shaven below..very pleasant to talk with..

The Story:

this punt was over a bit too early for myself,had a little owo,but not being in a complete relaxed form ,completion was soon(no cim or near).bit of a anti climax,as she wasnt aware how close i was .

talked the rest of the session and that was that..

not much chance of myself having a round 2,although it was offered
