The Story:

As soon as I saw Nicole's photos I had to book immediately. The day at work just could not end quick enough. Nicole greeted me in a dead sexy black dress, I was as hard as hell as I had not wanked for a few days in anticipation for such a moment. Once the finacials were out of the way I was offered a shower and was ready to go. Nicole seemed very new to this game, her English was not bad and pretty soon had my stiff cock deep in her warm welcoming mouth, watching her pretty face and her eager mouth and tounge doing its magic I erupted a heavy load into her mouth which she dribbled out over her tits and then I rubbed in with my cock, much to her amusment. After a wash and more groping and kissing, I got hard and took Nicole in every position I could think of, this time I finished fucking her tits spraying a healthy second load into her face! A brilliant way to spend an hour. I will be back once I have played the field a bit more.
