### The Premises:

N/A - my hotel

### The Lady:

Olivia definately looks better in the flesh than in the photographs, although they do give a good indication of what to expect.

### The Story:

I had booked Olivia for her oral (swallow) and A level skills but was told that these were only available if the moment was right, so I was a bit disappointed from the outset.

That apart, Olivia is a bright and interesting lady who was good company, a good conversationalist, and had a really nice body.

The oral, with CIM, was good as was the sex but I don't think she really clicked with me.

I would not visit her again but would recommend her to others as she has a lot to offer.
