The Lady:

Sara is a petite and sexy 22 year old, although i can believe she'd be ID a lot in clubs. long blonde hair and a very sexy flat stomach, there are no visable perminant scars with silky teen like skin. she has a cute tight backside and her pussy is very fresh. good size breasts for me not droopy or over-sized one easily fitted into my hand with room to squeeze :)

The Story:

she is quite new to this and as such shows the enthusiasm of a girl whose just having sex, i really felt like the tag line on most website was true, i paid for her time, what happened after was between two willing adults.

Pussy: Tight and fresh

Oral skills: very enthusiastic with a well thought out technique

Sex: tight and invigorating, very vocal and no hint of faking.

foreplay: all the normal stuff with passion returned.

Her website i'm told will be working over this weekend, check her out. she's really good - hopefully her experiences won't harden her
