The Premises:

Smart and clean Top floor flat in new development, easy access and easy to find. I walked from Rail Station in about 10 min.

The Lady:

Not too good on sizes but if you take a look at the website what you see is what you get, everything in the right places. But what you can't see on the website is her Fantastic looks and a smile that will knock you off your feet.

The Story:

Well after many years of reading these good pages I have finally got around to submitting my first report. Many good experiences in the past and the few bad ones should have prompted me to do so earlier, but I was waiting for something exceptional, and this was it. I don't intend to go into the details but all I will say this is the total package. Appearance, attitude & personality all first class.

But the best thing about this visit was a combination of mind blowing action and a good amount of laughter all in all good fun. After your visit to Linzi you will come away not only thinking you have met one of the best WG in the business but also met a very nice person.
