The Story:

Dressed in heels stockings and suspenders she looked great. Blew my mind with great kissing and oral which was deep and had loads of eye contact. One of the best Ive ever seen for sure. As soon as I popped she turned me over for a massage, as soon as I was aroused again she took me in her mouth, stuck a finger up my arse and sucked for all she was worth. This felt so good that I just did this three times and inbetween there was a nice massage loads of DFK and she even did me the courtesy of sitting on my face to help me to my third pop.

A real lady!
