The Premises:

clean serviced flat, great area of london, perfectly safe and would suggest not being to shabbily dressed when you visit there as they have attendants at reception

The Lady:

full on glamour model looks a and figure, stunning girl, was slightly suprised by how petite she was as she looks a bit more fuller and curvy in the pictures...but she is all good, and a funny sweet girl to go with it!

The Story:

fantastic hour of fun, oral so good that it just leaves a grin on your face, she loves to ride you and clearly is a good jockey.... had me wanting more, great deep kissing with a magical tongue that is an experience in its self..... i for one folks will definately be back, hope they managed to do a good job on your hair!
