The Premises:

Very smart clean apartment with en-suite shower room. Parking difficult due to time.

The Lady:

Rachel is 28, approx 5'1" tall, long black hair, enhanced boobs and was dressed in a black dress, open at the sides which kept giving glimpses of her new boobs.

The Story:

Usually choose Hannah from IK but she was already booked so chose Rachel mainly due to her pics on the website. Greeted me with a kiss and offer of a drink which I accepted. We sat and chatted a while then she asked if I'd like a shower and showed me the en-suite while she went and changed into a see-through mesh dress with black suspenders and stockings which looked beautiful on her return. Straight onto the bed for some kissing which I must compliment her on. She then proceeded to give me oral, only managing the first inch of my cock the whole time which was very disappointing. In between sucks she kept giving me a quick wank. Decided after 5 minutes I'd had enough of this poor effort so laid her down, removed her thong and began oral on her which I hoped would bring some rewards but sadly no, there was no moans, groans, no encouragement at all even when I slid a couple of fingers inside still nothing. After 10 minutes or so she just sat up and leant over for a condom leaving me wondering if she'd had the quietest orgasm on record. There was absolutely no communication really throughout my stay so it was very difficult to say whether she enjoyed herself or not but clearly I didn't. On to missionary followed by doggie which I enjoyed but alas no response at all from her but waiting my 8" slide in and out of that gorgeous pussy will stay with me many a day. Decided I was going to come so took off the condom hoping I might get some more oral but not a chance, she quickly started wanking me at 100mph and 10 seconds later I shot my load. Really disappointing session from an IK girl as all the others I've seen, Becky, Chloe, Kate, Sophie and Hannah have been excellent.
