### The Premises:

Functional for my needs.

### The Lady:

Cute and small girl, Brazilian, very friendly, the most stunning example of "Samba Arse", absolutely great.

### The Story:

Had a lot of fun with Lara, the short time we had together was enough to send me to the moon, she has an amazing technique with oral and sex was hot, nice and she seemed to really care about my pleasure, i can't speak highly enough about this beauty.
