The Story:

Awful right from the start. Lolla clearly did not want to be there and it showed. Started with her slating of the agency then other punters and she kept on talking to waste time. I don't think she smiled once. Very cold, she even criticised my clothes. The sex was terrible, she has a good body but a bad attitude practically everything was off limits except for RO which she loved. I made her cum and she still did not smile. She even gave me some money back! What WG does that, almost unheard of! Terrible, worst punt of 2007.

Took time to submit FR because I was waiting to see if anyone else was unfortunate enough to book Lolla. Sorry!
