The Premises:

Upstairs parlour down a passageway between 2 shops - ring in advance for directions, you'd never guess this was here! Safe parking in a local traders car park behind a bakery on the other side of the road. Very nice inside, rooms recently refurbished i was told.

The Lady:

Brunette, late 20's, very curvy, wearing black stockings and slip. Very bubbly and smiley!

The Story:

A lovely lovely lady - i had visited earlier when she was busy, and had to return having been introduced to her on leaving. I love the cuddlier more rubenesque lady! Very affectionate (and naughty!), and a very well educated lady, a pleasure to meet. Clearly loves her job! Highly recommended and one of my best parlour experiences ever, will definitely visit again if i'm in the NW - only works Tues I understand.
