The Story:

This could have gone very badly, in that i had come to visit the other lady on todays rota, and was having to clock watch due to a forthcoming business appointment. I decided i couldn't wait and went with Abbi anyway, but she was very gracious about it! I'm glad i did, she was lovely to chat to, took a real interest, and a pleasant time was had by all. - came back later to see the other lady, Belle, and Abbi remembered me and asked how my day had gone as i was leaving. This is a great parlour, 2 top punts in one day!
